

COMPARISON CHART OF UTAH

COSMETOLOGY AND

ASSOCIATED PROFESSIONS

To help the student understand the licenses available through the Utah Department of Professional Licensing and the services which can be performed under each license, the following chart can help in their decisions concerning their education.

CTEC offers the Cosmetologist/Barbering Program in order to best prepare the student to have all practices available to them as they create the career of their dream.

Service A licensee may only perform services trained for under that specific license.	Cosmetologist /Barber Licensed to perform all services under the barber, Nail Technician, Basic Esthetician and Hair Dresser licenses	Barber	Nail Technician	Basic Esthetician	Hair Dresser
