

# IC3 TESTING

Internet and Computing Core Certification  
Computer Technology Test Out

---

High school students wanting to test out of the .5 Computer Technology and receive .5 credits with Canyons School District requirement may do so by passing the IC3 industry standard exam. There are three parts to this exam:

- ◇ **Computer Fundamentals**
- ◇ **Key Applications**
- ◇ **Living Online**

**Students must pass all three parts of this test.**

**This test is open to anyone desiring the IC3 certification.**

Individuals may take the IC3 exam at:

Canyons Technical Education Center (CTEC)  
825 East 9085 South  
Sandy, UT 84094  
[www.canyonstech.org](http://www.canyonstech.org)

To schedule a testing time contact:  
Susan at 801-826-6656

Cost: \$30 for curriculum  
\$45 for all three parts of the test (This fee includes one retake)  
\$15 for testing proctor fee

Visit [www.certipoint.com](http://www.certipoint.com) for more information and to take the IC3 self assessment to determine testing proficiency.
