Immunizations - Price varies. See Immunization Requirement link on CTEC's CNA website.

Paid to BCI - Background Check - \$15. See CNA website for instructions.

Paid to SLCC -

- Partial Tuition for Medical Terminology and First Aid Concurrent Classes- \$25

Blood Pressure Cuff and Stethoscope

Students are required to have a blood pressure cuff and stethoscope for clinicals. They may be purchased at a vendor of your choice or through CTEC. Purchasing a kit through CTEC includes a cuff, stethoscope, and a carrying case.

Curriculum

Students are required to purchase Medical Terminology and CNA curriculum.

Background Check and Drug Screening

Clinical facilities require all students to pass both a background check and random drug screenings to participate in clinicals. The background check must be completed in person at BCI. Random drug screenings will occur at CTEC.

State CNA Test Fee

There is a \$110.00 fee for the state certification exam. \$55.00 is for the written portion of the test and \$55.00 is for the hands-on or skills portion.

Red Cross

Students will become Red Cross certified in CPR and First Aid. This amount includes the certification fees paid to the Red Cross and a CPR mask. Red Cross certification for First Aid is optional.

Clinical Staff Support

This fee supports utilizing UNAR-approved clinical instructors who provide supervision over the nursing assistant students at clinicals - in the lab and at CTEC's contracted facilities.

Class Fee

Students will use a variety of consumable supplies as they implement learned concepts and skills.

HOSA

There is a \$45.00 fee to join this student organization. Students who join will be given leadership opportunities and the opportunity to compete in the state HOSA competition held in March. This fee does not apply if the student is already a member at home high school or at CTEC.

Pulse Oximeter

Students may purchase a pulse oximeter online or at a local retail store. There is a wide range of prices, however, an inexpensive one will do.

Scrubs

Students are required to purchase a pair of navy-blue scrubs. The top should have a V neck and at least 2 pockets. Scrubs can be purchased at any local retailer or ordered online. They are the required uniform for every clinical. Scrubs, closed toed athletic shoes, and an analogue watch with a second hand should be purchased by second week of school.

Salt Lake Community College (SLCC) Concurrent Enrollment

A \$5 fee per credit hour will be assessed by SLCC, totaling up to \$25. This will be due online to SLCC the first week of CNA class, after students have completed the registration process for concurrent enrollment courses.
